

Maritime Cargo Services

Freight Forwarding Agents

Come and be part of a winning team

Maritime Cargo Services is a successful Shipping Company which has been operating for 20 years and is based in Stowupland. We offer a premium service to a diverse and demanding client base. Due to a significant increase in Container Imports we are looking for a talented candidate to join our professional and hard-working Import team in the following full-time role:

IMPORT OPERATIONS

The successful candidate will be responsible for all relevant tasks relating to organising the daily UK delivery of both Dry Van and Reefer Full Container Loads. The role requires:-

- A team-player
- Excellent communication skills (email and telephone)
- A highly professional manner
- First-rate attention to detail
- Strong numerical skills
- A familiarity of Microsoft Databases
- A sense of humour
- An ability to do well under pressure
- Excellent Administration skills

In view of our demanding standards we offer an;

- **Excellent Salary package**
- **Bonus and Pension (after a qualifying period)**
- **Superb working environment.**
